

# University Affiliates

---

The Academy is pleased to announce that Northeastern University is the newest member of the University Affiliates program, a consortium of universities and colleges from across the country that provide support and guidance for Academy research, including the Visiting Scholars Program. The Academy is grateful to the leaders of all of the University Affiliates for their support and commitment to the next generation of scholars and to examining issues of importance to higher education.

American University – Cornelius Kerwin, President	Stanford University – John L. Hennessy, President
