

# List of Active Members by Class

November 12, 2009

The list of active members is divided into two categories: Fellows and Foreign Honorary Members. In each category the members are arranged by class and section. The number after each name indicates the year of election. The symbol \* designates members elected in 2009. An alphabetical index of all members in both categories begins on page 166.

## Fellows – 4,230

### Class I – 1,100 Mathematical and Physical Sciences

#### I:1 – Mathematics – 189
